MATERIAL

ALL DRESDEN ART LIGHTING EQUIPMENT is made of the best grade of Vitrified Porcelain and the Guarantee against chipping, crazing or discoloring is without time limit.

MEASUREMENTS

Are in all cases overall, excluding lamps.

PRICES

Are always given in list, for your protection. Discounts quoted upon application. All prices are f.o.b. Pittsburgh, Pa., no package charges.

FINISHES

We carry as stock an exceptional variety of finishes; sufficient to cover any type of installation; we recognize, however, that special occasions arise where special colorings are required and in these cases we endeavor to satisfy you and your client. ALL finishes are guaranteed without reservation.

WIRING

All wiring is polarized and all items come complete with knob, nipple and 3/8 bushing for stud. Outlets are INBUILT and form an inherent part of the bracket with no visible screws.

PACKING

Each item is packed in an individual carton and then in a master carton for shipping purposes.

ORDERING

In ordering, please be explicit regarding catalogue number, type of socket, state whether with or without outlet, FINISH, number of lights and how shipment is to be made.

BREAKAGE

While we cannot assume responsibility for goods damaged or lost in transit, we will gladly assist in securing settlement from transportation Company. Should a shipment reach you in bad order, notify carrier's local agent at once. Do not return goods to us without instructions or permission.

TERMS

To customers of approved rating, two per cent., ten days, strictly net thirty days from date of invoice. To purchasers not rated, and without satisfactory trade reference, we will ship C.O.D. or sight draft; but in which case we require a deposit of 25% as evidence of good faith.
